

Our Services

We strive to provide the best service possible, and our team is dedicated to following instructions from the event coordinators, as long as they remain reasonable and the event is well-organized.

About Us

We are a team formed from the joining of photographic individuals who have been doing freelance photography and finally five people gathered to form this photo studio and finally were given Art of Light Photography.

We also work with several other wedding needs, such as wedding car hire, organizers and make-up artists, for collaboration so that several complete packages are created in one wedding package that will be carried out.
